Industrial visit

Industrial tour was arranged for V semester students on 06/09/2016 to study about reinforcement detailing for slab, beams and columns. Students along with Prof Sujata S, Prof. Spurti M. & Prof. Ishwargouda Patil visited site under construction near Kolhapur circle, Belagavi. Prof Sujata S explained about the detailing of reinforcement in slab and Prof Spurti M. explained about the detailing of reinforcement in beam, columns and bar bending schedule.

Prof Spurti M. explained about the detailing of reinforcement

Prof Sujata S along with Students during Industrial Visit.
