## Swachh Bharat Pakhwada-2016

The department of Computer Science and Engineering has organized a session on “Water Safety and Sanitary Management System” on 21<sup>st</sup> September 2016 at Seminar hall-1, SGBIT. The session was engaged by Dr. V. M. Devappa, Professor, civil department, SGBIT.

The speaker highlighted about availability of water bodies on the earth which is portable for drinking. He detailed on pollution of water, wastage of water, proper utilizations, and solutions to conserve water. He concluded the session with the message that water is life for mankind and it is responsibility of human to save the water for future generations.

The gathering was welcomed by Prof. Shivanand Ullagaddi, Faculty, computer science department. The session was witnessed by faculty members and students of computer science and engineering department.
