

Two Days Workshop on Acing the GATE Examination (11-12 September, 2017)

E&CE Department of SGBIT is hosting **Workshop on Acing the GATE Examination** for the EEE and E&CE Students during **11-12 September, 2017** on the Campus of S G Balekundri Institute of Technology, Belagavi. Our Event associate is Vani Institute, Bengaluru. Vani institute (viet) has been offering excellent coaching for GATE, ESE, JTO and other competitive examinations.

GATE is one of the toughest examinations in India, where competition is very high. However, GATE qualified candidates can receive scholarships; get job opportunities in PSUs on fulfilling certain conditions. Therefore, GATE provides a brilliant platform for students to excel in their group of interests and give their kick start. The Acing the GATE Examination workshop encourages the bright students and assists the weak students.

The primary objectives of the event are as listed below:

- Demonstrate the importance and benefits of GATE Examination
- Illustrate the assessment and evaluation criteria and Post GATE process
- Offers intensive training on English
- Provide exhaustive training on signal and Systems and communication
- Illustrate short cut methods, tips and tricks to crack GATE Examination

Registration fees for the workshop is Rs. 300/-

The students can feel free to contact
