INDUSTRIAL VISIT TO KAIGA

The students of **VII sem** (A & B Div) visited **Kaiga Atomic Power Station**, Uttar Kannada, Karnataka on **4th November, 2017**. The power station has four units. All the four units are small-sized CANDU plants of 220 MW. Kaiga Atomic Power Station is the first indigenously developed nuclear plant and third largest among all plants in India. The plant provides power to five states (Karnataka, Andrapradesh, Telangana, Tamilnadu and Kerala).

Kaiga Atomic Power Station, Uttar Kannada, Karnataka

Students of 7th semester along with staff during visit to Kaiga station

The students were accompanied by Prof. Mahadevappa M. and Prof. Anand Reddy with supporting staff members Ms. Madhavi H. and Mr. Sidram B.
