

**S. S. EDUCATION TRUST'S
S. G. BALEKUNDRI INSTITUTE OF TECHNOLOGY, BELAGAVI-10.
DEPARTMENT OF CIVIL ENGINEERING**

FACULTY ACHIEVEMENTS

1. Dr.V. M. Devappa worked as an organizing secretary for 3 Day National Level Workshop on Applications of Remote Sensing and GIS, organized by Department of Civil Engineering, S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
2. Dr.V. M. Devappa participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Design of Geosynthetic reinforced soil at slope failure and analysis of soil by various ground improvement techniques interface soil models” organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
3. Dr.V. M. Devappa participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “An Experimental Investigation of Bio-enzyme Stabilized Expansive soil” organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
4. Dr.V. M. Devappa participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “drought frequency analysis for south west monsoon-a case study of Gulbarga district of Karnataka, India” organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
5. Dr.V.M.Devappa was resource person during 3 Day National Level Workshop on Applications of Remote Sensing and GIS , on the topic “Photogrammetry” organized by Department of Civil Engineering , S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
6. Mrs Sujata Shreedhar attended 3 Day National Level Workshop on Applications of Remote Sensing and GIS, organized by Department of Civil Engineering, S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
7. Mrs Sujata Shreedhar participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Hydrological process in the selected watershed of western ghats “organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
8. Mrs Sujata Shreedhar attended 2 day workshop on “Performance audit of Ghatraprabha and Malaprabha river” held at Institute of Engineers , Belagavi from Jan 7th to Jan 8th 2018 .
9. Mrs Sujata Shreedhar co authored in the international journal for research and development, volume 5 , issue 5 , on “Load resisting system on seismic behavior of building”.Mr.Girish S Hombal attended 3 Day National Level Workshop on Applications of Remote Sensing and GIS , organized by Department of Civil Engineering , S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.

10. Mr.Girish S Hombal participated in the 2 day National Level Conference on “Study on Strength Characteristics of High Performance Geopolymer Concrete”organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
11. Mr.Girish S Hombal attended 3 Day National Level Workshop on Applications of Remote Sensing and GIS , organized by Department of Civil Engineering , S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
12. Mr.Girish S Hombal participated in the 1 day Workshop on “AICTE model curriculum organized by VTU Belagavi in association with TEQIP-1.3 on 17th May 2018.
13. Mr Sagar L Belgaonkar attended 2 day workshop on “Safety audit of Ghatraprabha and Malaprabha river” held at Institute of Engineers , Belagavi from Jan 7th to Jan 8th 2018 .
14. Mr Sagar L Belgaonkar attended 5 day workshop on “Faculty Enrichment Program on Strength of Materials” held at VTU, Belagavi, from Jan 25th to Jan 29th 2018.
15. Mr Sagar L Belgaonkar was resource person during 3 Day National Level Workshop on Applications of Remote Sensing and GIS , on the topic “Photogrammetry” organized by Department of Civil Engineering , S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
16. Mr Sagar L Belgaonkar attended 10 day workshop on “Hyperspectral remote sensing and its applications” held at S G Balekundri Institute of Technology, Belagavi, from 10th to 20th March 2018.
17. Mr Sagar L Belgaonkar attended 10 day workshop on “RS and GIS for water resource management ” held at S G Balekundri Institute of Technology, Belagavi, from 16th to 27th April 2018.
18. Mr Sagar L Belgaonkar participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Behaviour of composite structural member in RC framed structure with shear wall under seismic loading “organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
19. Mr Sagar L Belgaonkar participated And presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Women Empowerment “organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
20. Mr Sagar L Belgaonkar participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Advancements in agriculture and food production using Hydroponic technology – a case study “organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
21. Mrs Sweta Chougule attended 3 Day National Level Workshop on Applications of Remote Sensing and GIS , organized by Department of Civil Engineering , S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
22. Mrs Sweta Chougule participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Dairy waste water treatment by packed bed reactor followed by Aerobic method “organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.

23. Mr Rahul Bannur attended 3 Day National Level Workshop on Applications of Remote Sensing and GIS , organized by Department of Civil Engineering , S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
24. Mr Rahul Bannur participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Treatment of Leachate by Hybrid Reactor “organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
25. Paper on “*Geo-Tourism In Karst Topography With Special Reference To The Western Ghats*” – **Sagar Waghmare**, Pramod Hanamgond, Priyanka Shinde, paper presented at national workshop on Limestone deposits of India. conducted Jointly by Mining Engineers Association of India, Belgaum Chapter and G.S.Sc. College, Belgaum On 07 Jan 2018
26. Resource person for 3days Nation workshop on Remote Sensing and GIS and presented a paper on “GIS as a Interpolation and Representation tool” organized by S.G. Balekundri Institute of Technology, Belagavi on 2nd and 4th February, 2018
27. Resource person for Bridge course on Identification of minerals “**Khanija-2018**”, organized by KLE’s Kankanvadi Ayurvedic College, Belgaum jointly with Department of Geology, G.S.Sc College, Belgaum on 12nd Feb 2018
28. Invited Speaker at Department of Civil Engineering, KLEIT, Hubballi, on topic “**Applications of remote sensing and GIS in Civil Engineering**” on 08th Feb 2018.
29. Participated in IIRS User Interaction Meet (IUIM) at Indian Institute of Remote Sensing, ISRO, Dehradun on 27th February 2018.
30. Paper on “*Advancements in Agriculture and Food Production Using Hydroponic Technology – A Case Stud*” **Sagar Waghmare**, Priyanka Shinde, Sagar Belgaonkar, paper presented at National conference on Skill development and Entrepreneurship organized by S.G. Balekundri Institute of Technology, Belagavi on 27th and 28th April, 2018
31. Coordinated following online training course “**IIRS-ISRO Outreach programs**” Conducted by ISRO – Indian Institute of Remote Sensing, Dehradun

S.No	Course	Date	No. of students register
1	32th outreach course on "Geospatial Modeling for Watershed Management"	01 st – 7 th April 2018	06
2	31th IIRS outreach course on "RS& GIS application in Water Resources"	16 th – 27 th April 2018	24
3	30th IIRS Outreach Programme on "Geoinformatics for forest fire management"	02 nd - 06 th April 2018	08
4	29 th IIRS Outreach Programme on "Hyperspectral Remote Sensing and its Applications"	19 th February 2018 – 14 th March 2018	05

32. Reviewed a paper on “Seasonal Variation of Tidal Constituents in the Thane creek and the Ulhas estuary, West Coast of India- A model approach” – for the Journal *Journal of Coastal Research, Florida*.
33. Miss Spurti Mamadapur attended 4 Day FDP on software application laboratory, organized by Department of Civil Engineering , Dayanand Sagar Academy of Technology and management , Bangalore , from Jan 8th to 11th 2018.
34. Miss Spurti Mamadapur attended 3 Day National Level Workshop on Applications of Remote Sensing and GIS , organized by Department of Civil Engineering , S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
35. Miss Spurti Mamadapur participated in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Partial Replacement of Copper Slag as fine aggregate with percentage inclusion of steel fibres in concrete” organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
36. Mr.Santosh Chikkabagewadi attended 3 Day National Level Workshop on Applications of Remote Sensing and GIS , organized by Department of Civil Engineering , S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
37. Mr. Santosh Chikkabagewadi participated in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Critical Assessment Of Road Capacities And Solutions For Traffic Problems – A Belagavi Case Study” organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
38. Mr. Santosh Chikkabagewadi attended two days all India seminar on “Recent Trends in Highway planning & Pavement Design” conducted by KLS’s VDRIT, Haliyal on 23rd & 24th Feb 2018.
39. Mr. V S Korishetti attended 3 Day National Level Workshop on Applications of Remote Sensing and GIS , organized by Department of Civil Engineering , S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
40. Mr. V S Korishetti participated in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Partial Replacement of Copper Slag as fine aggregate with percentage inclusion of steel fibres in concrete” organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
41. Mr. V S Korishetti attended two days all India seminar on “Recent Trends in Highway planning & Pavement Design” conductor by KLS’s VDRIT, Haliyal on 23rd & 24th Feb 2018.
42. Mrs. Jyoti Patil attended 3 Day National Level Workshop on Applications of Remote Sensing and GIS , organized by Department of Civil Engineering , S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
43. Mrs. Jyoti Patil participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “A comparative study on concrete using partial replacement of OPC by PPC using M-sand “organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
44. Mrs. Jyoti Patil participated in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Design of Permeable pavement by using fly ash to

overcome accident problems”organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.

45. Mrs. Jyoti Patil attended 2 Days National Level Workshop on Recent Trends in Geotechnical Engineering and its Applications , organized by Department of Civil Engineering , KLEIT, Hubli, from 9th to 11th May 2018.
46. Miss Akshata A Mulgund attended 2 day workshop on “Performance audit of Ghatraprabha and Malaprabha river” held at Institute of Engineers , Belagavi from Jan 7th to Jan 8th 2018 .
47. Miss Akshata A Mulgund attended 2 day National Seminar on “ECBC- Capacity Building Training Programme” VTU ,Belagavi from Jan 22nd to Jan 23rd 2018 .
48. Miss Akshata A Mulgund attended 5 day workshop on “Faculty Enrichment Program on Strength of Materials” held at VTU, Belagavi, from Jan 25th to Jan 29th 2018.
49. Miss Akshata A Mulgund attended 3 Day National Level Workshop on Applications of Remote Sensing and GIS , organized by Department of Civil Engineering , S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
50. Miss Akshata A Mulgund attended 10 day workshop on “Hyperspectral remote sensing and its applications” held at S G Balekundri Institute of Technology, Belagavi, from 10th to 20th March 2018.
51. Miss Akshata A Mulgund attended 10 day workshop on “RS and GIS for water resource management ” held at S G Balekundri Institute of Technology, Belagavi, from 16th to 27th April 2018.
52. Miss Akshata A Mulgund participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Women Empowerment “organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
53. Miss Akshata A Mulgund participated in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Behaviour of composite structural member in RC framed structure with shear wall under seismic loading “organized by S G Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
54. Mr Vijayakumar Sureban attended 4 Day FDP on software application laboratory, organized by Department of Civil Engineering , Dayanand Sagar Academy of Technology and management , Bangalore , from Jan 8th to 11th 2018.
55. Mr Vijayakumar Sureban along with Dr. B. R. Patagundi presented paper in the 2 days National Level Conference on “Skill Development and Entrepreneurship” on the topic “Durability of Bricks” organized by S. G. Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.
56. Dr.B.R.Patagundi worked as a **Convener** for 3 Day National Level Workshop on “Applications of Remote Sensing and GIS”, organized by Department of Civil Engineering, S. G. Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018.
57. Dr.B.R.Patagundi, participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “An investigation on the behavior of hybrid fiber reinforced concrete produced by using fibers of different aspect ratio” organized by S. G. Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018.

58. Dr.B.R.Patagundi, participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “behavior of buildings with floating columns under earthquake excitation” organized by S.G.Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018
59. Dr.B.R.Patagundi, participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Save environment by green concrete” organized by S.G.Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018
60. Dr.B.R.Patagundi, Dr.S.S.Salimath & Mr. Haris H. published a paper “An experimental investigation on basalt fiber reinforced concrete subjected to sulphate attack” in “The Indian Concrete Journal”. May 2018.
61. Mr A.AMARNATH attended 3 Day National Level Workshop on Applications of Remote Sensing and GIS , organized by Department of Civil Engineering , S G Balekundri Institute of Technology, Belagavi, from 2nd to 4th February 2018
62. Mr A.AMARNATH, participated and presented in the 2 day National Level Conference on “Skill Development and Entrepreneurship” on the topic “Analysis of Multi-Storied Building with Shear wall Orientation Under the Influence Of Wind” organized by S.G.Balekundri Institute of Technology, Belagavi, from 27TH and 28th April 2018
63. Mr A.AMARNATH attended 4 Day FDP on software application laboratory Fdp-Sal 2018 held on January 8th to 11th 2018 at Dayananda Sagar Academy of Technology and Management, Bangalore-82.
64. Mr A.AMARNATH participated in One Week TEQIP-1.3Sponsored Faculty Enrichment Program on Strength of Materials” held from Jan 25th to Jan 29th 2018 at Centre for PG Studies, Visvesvaraya Technological University, Belagavi.
