

Guest lecture on “Microprocessor (8086)”

One day Guest lecture on “Microprocessor (8086)” was held on 10/05/2018 by Prof. Ramesh Koti, GIT, Belagavi. The resource person has an experience of 12years in academics and industry. The lecture helped the students of 4th Semester in enriching the study of the subject in perspective of industry requirements and also faculty to broaden their knowledge in the field of Microprocessor. The event was coordinated by Dr. K. Prabhushetty and Prof. Harsha Kakaraddi
